

# Homework Set - 1

## 1. Grocery Store Calculator

Hi this is Jessica!! Well I got the following groceries for myself. Can you help me calculate the total? OH! Don't forget to add service tax on total. It is 15 %. Also can you print the bill with name, quantity, Cost per Quantity with total at the end?

Name	Quantity	Cost per Quantity
Rice	1 kg	100
Wheat	2.5 kg	250
Tomato	5 kg	145
Celery	5 bundle	1215
Cheese	2 packets	140

2. Find the volume of sphere whose radius is 300
3. Find the area of rectangle whose length= 150.233 and breadth is 65.322
